8:30 PM	Memoire d'un Continent-RFI : De Fès à Tombouctou, résonances africaines du soufisme. La mémoire du continent explore l'histoire du soufisme et ses résonances africaines. Des deux côtés du Sahara, itinérance historique de Fès à Tombouctou, sans oublier la corne de l'Afrique, lieu où s'est écrit une belle page des interconnexions religieuses continentales. Branche, incarnation, les mots peuvent varier pour définir cet élan de l'islam, fait de quête mystique, intérieure, de vitalité confrérique, de lieux mémoriels, et de fidèles transnationaux. Le soufisme, à l'heure des périls sécuritaires au Sahel, de la gangrène jihadiste, et des idées reçues sur l'islam politique. Avec la participation du Pr Ali Benmakhlouf, philosophe et professeur émérite à l'Université Paris-Est Créteil et à l'Université Mohammed VI Polytechnique du Maroc.
